## One Of This Years Field Day Towers

US Cellular loaned us their portable tower for field day.

## Weekly Breakfast Club:

1<sup>st</sup> Monday of the month: Waterloo Airport,  
9 AM

All Other Mondays: McDonalds on University  
Ave. 9 AM

## A Field Day Thank you.

I know I will miss some folks so please be understanding. We had some folks go above and beyond. Ernie KCØKTU for working with US Cellular to borrow their tower. Jeff KCØDIQ for driving up the day before, helping with prep work, setup, take down, and storage. Jay KCØAKJ for taking down antennas, off his house, so we would have some to put up. Plus his moral support. Curt NKØT for pulling the lone man cold all nighter. David KCØGFO For relieving Curt.

Thanks Guys

## What is wrong with this picture???

Give up???

No one is at Field day!!

## Please Take notice!

This is my last time as Field Day Chair. Due to the total lack of folks showing up to run rigs I am done. I will help next year. But the question is does the club want to do Field Day next year? Every year I take 3 or so days of vacation to get ready for Field Day. It is not worth it for so few people. By the way Field Day score is 838 this year.
